Dear Jim,

Jimmie Ray has asked me for a copy of the Singleton decision. He thought he may have sent it to me, but he didn't. I had two copies. I let the NY TV station have one, and they didn't return it. I let Anderson's legman, Chuck Elliott have one. He didn't return it, he has quit Anderson, and they claim they can't find it. Would you please make two copies of this and send one to Jimmie? I'll pick the other up when next I see you.

I don't know what Jimmie wants it for, but maybe it would be a good idea to send him a copy of Bluebonnet, too (and my copy of this also has not been returned, so I'd appreciate one for me).

Thanks.
